

Statute Street — Lawyer review pack (gold key v0.4)

Internal test material for the Hack-Nation Challenge 02 build. Not legal advice. Prepared 2026-10-04 from gold/rules/all.json (v0.4). 15 rows: the 5 weakest-confidence rules at v0.3, the 5 change-test rules (CA AB 325, Hoboken ban, Jersey City ban, NJ FAIR Act, MA S.2983), and the MA ballot question plus 4 random others. Rows marked "verifier: Hamza" reflect the 2026-10-04 lawyer review batches 1-4; re-check only the ☐ items.

How to review — 4 points per row. Mark ✓ correct / ✗ wrong (write the correct value) / ? cannot confirm, for each of: 1. Citation right? (operative section named) 2. Key value right? (number / formula / prohibition) 3. Date right? (effective date; null = long-standing statute with no stated effective date) 4. Status right? as of 2026-10-01 (in_force / not_yet_effective / pending / failed). Open the official source link before answering.
